Carlo Albasio

He evokes with his canvas the myth of mother Eve, the parent of humanity and a metaphor for that water of which we are all made.

Eva e Adamo

115 x 115 cm, acrylic on canvas

€ 3000

Perrine Angly (France)

A refined and sensitive artist, she pays homage to Water by making "Aquatic Mandalas," ephemeral forms that she places on its surface.

At the Bolano Museum, she brought 4 prints on polyester that can also be placed outdoors.

Mandala sull'acqua

80 x 123 cm, polyester photograph

€ 400

Also by Angly reflections and water movements.

Riflessi sull'acqua

60 x 60 cm, laminate photograph

€ 300

Antonella Avataneo

Always curious to experiment, she has explored many techniques, from painting to plastics.

Isola del sogno

40 x 40 cm, acrylic on canvas with interventions

€ 350

Maria Grazia Biagi

A ceramic artist, he goes through the Raku technique to make figures animated by internal movement.

Marea

refractory earth, glazes, raku technique

€ 350

Belinda Biancotti

She is a young artist from Elba, painting all her life. Hers are "portraits of the soul."

She created the work especially for the Festival and offers us the birth of a marine mythological figure, a "Naiad," who awakens to new life.

Nascita di una Naiade

74 x 54 cm, oil on paper

€ 1200

Béatrice Bissara (France)

Through his cosmically inspired works, he activates specific devices to interrogate man's view of the world, his place in it, and the ties that unite him to the universe.

Flux forme – Variazioni 1
42 x 29.5 cm, series, acrylic on paper
€ 800

Barbara Pastore Blin

The "poetess" of the Elban wind roses, she flies her "Vessels in the Turquoise" with their positive message of good wind.

Vascelli nel turchese
59 x 59 cm, Graphite, painting on wood, resins

€ 300

Paolo Calcara

Paolo Calcara knows how to look beyond the particular and manages to "catch the fleeting moment" of a dewdrop, realizing a magical moment.

Labili forme
40 x 40 cm, photograph

€ 400

Maria Giusi Canova

A multifaceted artist of many facets, she presents us with significant works on water and the forms it often takes.

Le forme dell'acqua
50 x 70 cm, mixed technique

€ 350

Trasformazione
50 x 50 cm, laminate photograph

Le forme dell'acqua
50 x 60 cm, laminate photograph
€ 150

Marta Carlesi

He lives a new artistic youth with a work of rapid, almost gestural brushstrokes, depicting all the drama of a "Shipwreck."

Naufragio
60 x 70 cm, oil on canvas

€ 600

Tito Casartelli

Proposes a triptych with snappy graphics to celebrate a storm

Tempesta
18 x 18 cm, triptych, acrylic on paper
€ 500
