## Mauro Fontanelli

A multifaceted artist, his work is so vivid that it really feels like you can drink it.  
This work, too, was made especially for the Festival.

### *Aqua cucumis*

56 x 65 cm, oil on board with interventions

€ 1000

## Francesca Groppelli

Artist who enjoys installations and recycling art to give social meaning to his work.  
He presents a diptych inspired by the Sea.

### *Amar*

41.5 x 29.5 cm, mixed technique

€ 300

## Monika Guldner (Germany)

She takes up the theme of abandoning man's waste objects in the environment and offers a new version of the Nemo fish quest and an evocative collage of shells.

### *Coming out*

75 x 56 cm, collage

€ 250=

### *Cercate Nemo*

44 x 64 cm, collage

## Moira Lena Tassi

Sensitive artist who prefers to delineate the grit and personality of the female figure.

She created the work especially for the Festival

### *Fiore di loto"*

60 x 90 cm, oil on canvas

**€ 700**

## Lucia Leopardi

Lucia enchants us with her nostalgic "Distant Island," that feeling that invades those who stray from the Island even for a short time.

### *Isola lontana*

40 x 79 cm, oil on canvas

**€ 300**

## Antonello Marchese

An experienced photographer and environmental guide, he offers a glimpse of the Scoglietto captured on a windy autumn day.

### *Scoglietto*

40 x 60 cm, laminate photograph

**€ 300**

## Marzia Maselli

An instinctive artist, she has taken up the paintbrush again after many years prompted by this very festival and is exhibiting a work she made especially for it.

### *L'acqua è oro*

80 x 120 cm, acrylic on canvas

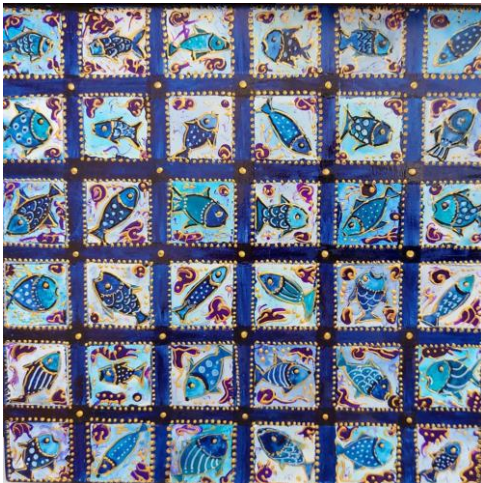

**€ 300**

Sketches of the work on paper also available

30 x 40 cm

**€ 100**

## Valérie Moati (France)

Through her paintings Valerie wants to convey her passion for colors, materials, and light: each one is a lucky charm!

*Pesci*

20 x 20 cm, mixed technique

**€ 100**

## Giampiero Palmieri

Photographer of the detail plunges us into the blue sea of Elba ploughed by the elegant trails of two speedboats

*Sull'acqua*

40 x 60 cm, laminate photograph

**€ 300**

## Diego Racconi

In Diego Racconi's tapestry rivers intersect on canvas

*Acqua*

115 x 71 cm, mixed media, tapestry

**€ 300**

## Eizo Sakata (Japan)

He is the first artist-in-residence at the Italo Bolano Open Air Museum.

His works on paper are made with India ink on paper soaked in seawater.

The result is poetic works with sometimes unpredictable forms.

During his time at the Museum, he created 3 works.

*Elba Island Drawing 1*

*Elba Island Drawing 2*

*Elba Island Drawing 3*

100 x 70, China on paper and seawater

**€ 700**

**Number 3 has been SOLD**

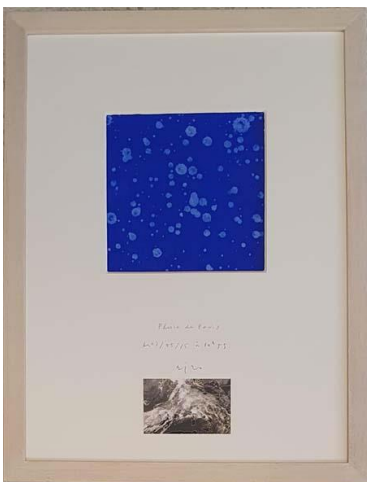

Work realized live in the performance on August 6, 2022

*Aquamour performance*

100 x 70, China on paper and seawater

**€ 700**

Here the artist imprinted the raindrops in Paris documenting it with a satellite image.

Art and meteorology

*Pluie de Paris 03/05/2015*

40 x 30 cm, acrylic on paper, rain photo from satellite

**€ 300**

## Roberto Ridi

A photographer of impossible places, he captures a lonely little cloud in a sky reflected in the iridescent blue of the sea, creating suggestion and wonder

### *I sensi del mare*

80 x 80 cm, Hahnemuhle Matt FineArt – Photo Rag® Ultra Smooth 305 gsm - n. 4 of 5

**€ 800**

## Chiara Scalabrino

Her spheres represent her inner world, always varied with images she draws from nature, poetry, history... everything for her can become sphere...

### *Profondo Blu*

Sphere diameter 30.cm  
Mixed media.

**€ 400**

## Federico Serradimigni

His shots capture details of abandoned plastics on the beach

### *Stoplastica*

20x29 cm photograph.

**€ 100**

## Daniela Traverso

With her photographic diptych Daniela reminds us that even the tear, the witness of physical and spiritual suffering, is water, of the same consistency as the salty one of the sea.

*Water and salt  
photo diptych*

**€ 300 for both**

## Enza Viceconte

A true watercolor expert, Enza offers Elban rocks expertly reproduced with an almost photographic technique without losing the excitement and freshness of marine transparency

*Trasparenze*  
74 x 51, cm, watercolor on paper

**€ 1200**

## Dominique Voge (France)

His photography recalls arcane landscapes drawn from reflections on water

*Mélodie an Ô*  
60 x 60 cm, digital print on aluminum

**€ 420**
